Call Meeting to Order

Participation in Community Preservation Committee (CPC) Public Hearing

The CPC is convening a public hearing to conduct a public informational meeting as directed by the Community Preservation Committee Bylaw on the needs, possibilities and resources of the Town of Mashpee as they relate to historic preservation, recreation, affordable housing and open space.

The Public Hearing Notice posted with the Town Clerk on September 29 specifically states the CPC "will accept any written or oral testimony about needs, possibilities and resources from the public, from interested town departments, boards and committees or from town officials."

As the Planning Board has had no regular meeting prior to the posting of the CPC public hearing notice, and that the CPC has invited the Planning Board to comment, individual Planning Board members may submit oral testimony in person. As such, the Planning Board may convene in quorum to discuss matters within the scope of the CPC's public hearing notice however no discussion or deliberation regarding any other matter will take place.
