Movie Series #2 is "Looking closely at Academy Award nominated movies from 2005". Why does one movie win the award and the others do not? Sit back, relax in your home or that of a friend's, watch the movie, and then come to the Senior Center ready to listen or be an active participant in one of the four Monday mornings in Series #2 as we take an in-depth look at each of the following movies from 10:00 am to 11:30 am:

FRIENDS OF THE MASHPEE COUNCIL ON AGING (FOMCOA)

Thanks to the FOMCOA once again! Those of you who have email addresses in our database have been receiving a bi-weekly

email communication from us updating you on activities at the Senior Center and the surrounding communities. The Friends have been supporting the costs associated with this, and we are very appreciative of their help!

FOMCOA Thrift Shop: The Friends of the Mashpee Council on Aging are grateful to the many wonderful people who donate to its thrift shop! Your help goes to support the Senior Center as well as other community needs. We do ask, however, that you do not leave donations outside the shop when it is not open. We have had too many wonderful donations ruined by weather because our volunteers were not at the shop to accept the donations when they were left. **PLEASE drop off your donations ONLY during open hours**, which are Monday, Wednesday, Friday, and Saturday from 9:00 am - 1:00 pm, and Tuesday and Thursday from 9:00 am - 3:00 pm.

CAPE COD SENIOR APPRECIATION PICNIC — Wednesday, September 28, 11:00 am — 1:00 pm. This event is sponsored by the Barnstable County Deputy Sheriff's Association. Join them for a K9 demonstration, a free lunch for Cape Cod seniors, and bingo games with prizes. **Location:** Bass River Beach Parking Lot (aka Smuggler's Beach), Yarmouth, MA. For more information, please call Joseph Gordon (508) 563-4319.

MASHPEE MEN'S CLUB SEPTEMBER EVENTS — We invite retired or semi retired men over the age of 50 to join our club formed in 1997. We meet on the first Tuesday of each month starting with coffee at 10:00 am followed by a brief business meeting and a speaker at 10:30 am. We look forward on September 6 to a presentation by

Tom Kelleher on the history of the Lowell Mills. Throughout the year (but not necessarily on a Tuesday) we have a variety of interesting trips on and off Cape. On September 14, members and guests will travel to Plimoth Plantation for a tour and lunch. If you are a prospective member and would like to join our club at these events, please contact Deane Turner at deane_turner@msn.com or Frank Lord at fjlord@msn.com.

BOOK CLUB — Book Club meets on the third Friday of the month at 2:00 pm at the Senior Center. The selection for September 16 is "Me Before You" by best-selling British author Jojo Moyes. Before you see the movie, join us for a discussion of Will and Lou — two people with little in common — and their entertaining, heart-warming, and thought-provoking story. Come join us! New members are always welcome!

DESCRIBE THE MASHPEE SENIOR CENTER IN JUST ONE WORD!

Help celebrate National Senior Center Month by letting us know how you would describe the Mashpee Senior Center and what it means to you in

JUST ONE WORD! The next time you come into the Mashpee Senior Center, you will see a jar in the lobby along with paper and pen. Jot down your one word and put it into the jar. At the end of the month, we'll accumulate these words and share them with you. You may also email your response by sending your one word to coaofficeassistant@mashpeema.gov.

SCAM

ALERT

BE AWARE! Telephone, email, and door-to-door scams are continuing at a rapid rate.

ASKED TO PAY BACK TAXES WITH AN ITUNES GIFT CARD? IT'S A SCAM!

Scammers have come up with yet another way to get people to part with their hard-earned money. This time they are getting people to buy iTunes gift cards and share the code on the back of the card.

How it Works: A scammer will call, claiming to be from the IRS and that you will be arrested if you don't pay back taxes immediately. The caller will tell you to purchase an iTunes gift card and put the amount you owe on it. Then you are to call back and provide the 16-digit code that is on the card to complete your payment. The con artist then sells the codes on the online black market and pockets the cash.

What You Should Know: The IRS only accepts checks, cash and credit cards as forms of payment. Apple sells iTunes gift cards solely for purchases on the iTunes store and the app store. If you are not shopping on the iTunes or app stores, you should not be using an iTunes gift card.

What You Should Do: Never agree to pay anyone besides Apple with an iTunes gift card.

ARE YOU OVERSHARING ON PUBLIC WI-FI?

Connecting to the Internet in a public space like a coffee shop, the library or an airport is a wonderful modern convenience, but it comes with significant risk. Public Wi-Fi is never private, so we're asking for your help in preventing Wi-Fi fraud!

How it Works: Fraudsters have come up with a number of ways to steal information from you or attack your computer while you are on public Wi-Fi. New hacking tools that are available free online make it easy even for novice hackers to compromise your security.

What You Should Know: It is never safe to assume any privacy on public Wi-Fi, even when prompted for a password. Anything you do on public Wi-Fi — entering a password, typing in a credit card number, accessing a bank account — puts you at risk.

What You Should Do: Keep your surfing safe when on public Wi-Fi by sticking to things like reading the news and checking the weather. **In short, never do anything on public Wi-Fi that requires a password.**

TRAVEL CLUB NEWS: 9/06 Foxwoods, \$35; 9/22 "WICKED", 1 PM Matinee, \$80/\$115; 9/27 Winnepesaukee Scenic Railroad and Hart's Turkey Farm, \$95; 10/18 Covered Bridges of New Hampshire/Fall Foliage/Lunch, \$89; 11/04 The King and I, \$80/\$112; 11/09 overnight Turning Stone Resort, \$189; 12/09 Holiday Pops Boston, matinee, 1st balcony, \$105; 12/10 A Gentleman's Guide To Love and Murder, \$80/\$110. For a complete listing of all trips, stop by the Senior Center or visit adventureswithkarynwendell.com. Karyn is here every Thursday from 9:00 am to 11:00 am. Emergency Preparedness

EMERGENCY PREPAREDNESS - The Mashpee Council on Aging maintains a list of seniors who are homebound, and/or frail to help the Town provide assistance to them during a civil defense emergency such as hurricane or blizzard. If you would like to be on the list, please call the Senior Center at (508) 539-1440 and request a simple registration form for you to complete and return. Should you need assistance completing the form, please call Outreach Coordinator, Darlene Perkins.

MASSACHUSETTS ALERTS — Join the thousands of residents of Massachusetts who receive emergency alerts and critical information about disasters and public safety incidents on their Smartphones. Massachusetts Alerts provides emergency notifications and public safety information based on your location, proximity to an event or incident, and the preferences you select. Find out more information and how to download the app to your Smartphone at <http://www.mass.gov/eopss/agencies/mema/massachusetts-alerts.html>.

HURRICANE SEASON IS HERE, and now is the time to prepare in case Mother Nature pays us an unwelcome visit. You can find detailed preparedness information on the National Weather Service's website: <http://www.nhc.noaa.gov/prepare/ready.php> and at FEMA's ready.gov site for hurricanes <http://www.ready.gov/hurricanes>. To prepare for a hurricane, here are some of the following measures to take to protect you and your family:

Build an emergency kit and make a family communications plan; learn community hurricane evacuation routes and how to find higher ground. Determine where you would go and how you would get there if you needed to evacuate; make plans to secure your property; be sure trees and shrubs around your home are well trimmed so they are more wind resistant; clear loose and clogged rain gutters and downspouts; plan to bring in all outdoor furniture, decorations, garbage cans and anything else that is not tied down.

And don't forget about your pets! Check out Cape Cod D.A.R.T at www.capecoddart.org for complete details, but here are some basics: Know which shelters in your area are pet-friendly. If you go to a shelter, if possible bring a crate for your pet. Prepare an emer-

gency go-kit for your pet including at least 3 days of food in an airtight, waterproof container, at least 3 days of water specifically for your pets, and an extra supply of your pet's meds in a waterproof container. List the name and contact information for your pet's veterinarian. Keep up-to-date copies of your pet's registration information, adoption papers, vaccination documents and medical records in a clean plastic bag or waterproof container in your kit.

Local Shelters (which ones will be designated as pet-friendly will be determined at the time of the emergency)

- ◆ Barnstable Intermediate School, 895 Falmouth Road, Hyannis
- ◆ Falmouth High School, 874 Gifford Street, Falmouth
- ◆ Sandwich High School, 365 Quaker Meetinghouse Road, Sandwich

DISABILITY INDICATOR FORM - Are you a disabled elder? Disabilities would include life support system, mobility impaired, blind, deaf and hard of hearing, teletypewriter, speech impaired, cognitive impairment, etc. If you have any of the listed disabilities, Clay Nicholson, Mashpee's 911 Municipal Coordinator, recommends that a **911 DISABILITY INDICATOR FORM** be completed and forwarded to him so that if an emergency occurs, public safety officials will be alerted that an individual residing at your address communicates over the phone via TTY and/or has a disability that may hinder evacuation or transport. **This information is confidential and will only appear at the dispatcher's location when a 911 call originates from your address.** Please contact Clay Nicholson, (508) 539-1400, ext. 8499 with any questions and to pick up a form. You can also pick up this form at the Mashpee Senior Center.

EMERGENCY ALERT SIGN UP - Did you know that you could receive automated messages by phone from the Town, helping you with storm preparedness or other town activities? If you do not already receive important/emergency messages from the Town, or if you want to edit your contact info, please go to the Town website: www.mashpeema.gov, and select the "Emergency Alert Sign-up" box in the upper center of the page. Then select the next signup button and enter your contact information so local leadership may contact you with timely, important messages.

ASK-A-NURSE — BETTY BLACKHAM, RN — VNA OF CAPE COD — Friday, September 23, 9:00 am.

Have questions about your health? We all at one time or another have questions we would like to ask a nurse. Each month Betty Blackham, RN, of the VNA is at the Senior Center to answer your health questions on the 4th Friday of each month. **Take advantage of this free service at the Senior Center and stop by!**

This month's health topic:

What is High Blood Cholesterol?

What is Cholesterol? Cholesterol is a waxy, fat-like substance that your liver makes. It is also found in some foods that come from animals. Cholesterol is found in all parts of your body. It plays a vital role in your body. It makes hormones, helps you digest food, and supports the workings of all the cells in your body. But your liver makes all the cholesterol that your body needs to do this.

Lipoproteins and Cholesterol. Cholesterol circulates in your blood stream. But it's fatty while your blood is watery. Just like oil and water, the two do not mix. As a result, cholesterol travels through your bloodstream in small packages called lipoproteins. The packages are made of fat (lipids) on the inside and proteins on the outside.

Two kinds of lipoproteins carry cholesterol through your bloodstream. It's important to have healthy levels of both:

- ◆ low-density lipoproteins (LDL)
- ◆ high-density lipoproteins (HDL).

What Does LDL Cholesterol Do? Low-density lipoproteins (LDL) carry cholesterol to all the cells in your body, including the arteries that supply blood to your heart. LDL cholesterol is sometimes called bad cholesterol because it can build up in the walls of your arteries. The higher the level of LDL cholesterol in your blood, the greater your chances of getting heart disease.

What Does HDL Cholesterol Do? High-density lipoproteins (HDL) carry cholesterol away from the cells in your body. HDL cholesterol is sometimes called good cholesterol because it helps remove cholesterol from your artery walls. The liver then removes the cholesterol from your body. The higher your HDL cholesterol level, the lower your chances of getting heart disease.

If Your Blood Cholesterol Is Too High Too much cholesterol in your blood is called high blood cholesterol. It can be serious. It increases your chances of having a heart attack or getting heart disease. When the cholesterol level in your blood is too high, it can build up in the walls of your arteries. This buildup of cholesterol is called plaque.

Lowering Cholesterol Can Affect Plaque. Lowering your cholesterol level reduces your chances of plaque rupturing and causing a heart attack. It may also slow down, reduce, or even stop plaque from building up. And it reduces your chances of dying from heart disease. High blood cholesterol itself does not cause symptoms so many people don't know that they have it. It is important to find out what your cholesterol numbers are because if you have high blood cholesterol, lowering it reduces your chances of getting heart disease or having a heart attack.

LEGAL ASSISTANCE — We are fortunate to have attorneys that visit the Senior Center on a monthly basis. Their appointment schedules are always completely booked. **Please be aware that these appointments are for Mashpee seniors only,** for consultations only, and not for dealing with on-going legal issues. We respectfully request that you limit your appointments during the year so that others may be accommodated. MASHPEE COA OUTREACH PROGRAM MISSION STATEMENT

To assist seniors in our community to find the resources they need to help them make the best choices to maintain the highest quality of life possible.

Keeping in line with our Outreach Mission, please call Darlene Perkins, Outreach Coordinator, if you are struggling to make ends meet. Darlene is available to meet in her office, or she can set up a home visit if you are unable to come to the Senior Center. There may be options out there for you with transportation, food or just the knowledge of knowing what support is available in your community. Sometimes a "chat" can help, call Darlene Perkins, (508) 539-1440.

MASSACHUSETTS HEALTH CARE PROXY FORM.

Are you familiar with MOLST (Medical Orders for Life Sustaining Treatment)? The purpose and use of MOLST is very different from the use of a Health Care Proxy. MOLST is a medical order form (similar to a prescription) that relays instructions between health professionals about a patient's care. MOLST is based on an individual's right to accept or refuse medical treatment, including treatments that might extend life. MOLST is not for everyone. In Massachusetts, patients with a serious advanced illness at any age may discuss filling out a MOLST form with their clinician. You can find out more about MOLST at their web site: <http://molst-ma.org/> or by calling Darlene Perkins, Outreach Coordinator, at (508) 539-1440.

	MOLST	HEALTH CARE PROXY
Form type	Medical document	Legal document
Form users	Patients of any age with advanced illness	All adults, healthy or sick
Form contains	Current medical orders about life-sustaining treatments	Name of person's appointed health care agent(s) for future shared decision-making
Form signer(s)	The patient* and clinician	The person and two witnesses of the person's choice
Goes into effect	Immediately upon signing	Only if person is declared to lack capacity to make own health care decisions

BROWN BAG PROGRAM — We can help you supplement your food supply each month.

The Mashpee Council on Aging in partnership with the Greater Boston Food Bank (GBFB) is pleased to continue to offer the Brown Bag program to Mashpee residents who may need a little extra help making it from month to month. Participants may pick up a bag of groceries once a month at the Mashpee Senior Center, 26 Frank E. Hicks Drive, Mashpee at no cost to you — it is free! You are eligible for this program as a SNAP, Fuel Assistance, MA Health or another public assistance program recipient. A typical grocery bag weighs about 15 pounds and contains roughly \$35 worth of food items such as milk, cheese, pasta, rice, ground beef, tuna, green beans, peanut butter, and oatmeal, based on availability. If interested or if you have questions please call Darlene Perkins, Mashpee Outreach Coordinator at (508) 539-1440.

MEDICAL EQUIPMENT AVAILABILITY. The Senior Center receives inquiries from Mashpee seniors or their families about donating or obtaining used medical equipment such as commodes, wheelchairs, walkers, etc. The Senior Center lacks space to store medical equipment so we are unable to take donations or provide loaner equipment. Some thrift stores are a good source for donations and lending. Good news: you may qualify for brand new equipment through your insurance with a prescription from your doctor. The Outreach Coordinator at the Mashpee Senior Center is happy to discuss options so please call Darlene Perkins at (508) 539-1440 for more information.

MANAGING STRESS IN HARD TIMES. Watching the news can be very stressful without even realizing how we are affected. When the world around us becomes stressful it is very important to take care of ourselves. Find out how to manage stress after a traumatic event by following the CDC's recommended tips for self-care on their website. Strong emotions like fear, sadness, or other symptoms of depression are normal, as long as they are temporary and don't interfere with daily activities. If these emotions last too long or cause other problems, it's a different story. Go to: www.cdc.gov/features/copingwithstress. The best way to manage stress in hard times is through self-care.

FUEL ASSISTANCE. The Low Income Home Energy Assistance Program (LIHEAP), more commonly known as the Fuel Assistance Program, is administered by South Shore Community Action and provides low income households with help in paying heating bills. The Mashpee Senior Center will assist you in completing your fuel assistance application. Appointments will be available on Mondays from 1:00 — 3:00 beginning September 27. **The program officially starts November 1, 2016.** Income eligibility for a family of one is \$34,001, and a family of two is \$44,463. Once the application and documentation are complete, they will be sent to South Shore Community Action in Plymouth, who will determine if you are eligible.

Please note you will need to bring in the following documents: All sources of gross income for all members of household; a heating bill (need account number); electric bill; copy of a mortgage statement or if you rent, the front page of the lease agreement; homeowners insurance; real estate tax bill; photo ID; Social Security numbers; and birth dates. Please call the Mashpee Senior Center to set up an appointment, (508) 539-1440. More information will be available in next month's newsletter.

MASHPEE POLICE DEPARTMENT'S TIPS OF THE MONTH

Please Be Aware — telephone scams are continuing in frequency. Specifically, Mashpee Police Department continues to receive reports from Mashpee citizens that they are receiving calls supposedly from the "IRS" that are threatening owed money, lawsuits and arrest warrants on individuals. **NEVER GIVE OUT ANY PERSONAL INFORMATION** and **PLEASE CONTACT THE MASHPEE POLICE DEPARTMENT**, Special Officer and Advocate Tara Carline at (508) 539-1480, ext 7253, with any question regarding the legitimacy of any call.

The fear of a loved one wandering or becoming lost is a frightening thought for anyone who cares for a person with Alzheimer's disease, dementia or other memory impairments. Wandering is one of the most common behaviors in persons with Alzheimer's or a related dementia. If your loved one has a serious cognitive impairment, please register their name with the Mashpee Police Department's Special Officer and Advocate Tara Carline at (508) 539-1480, ext 7253. For further information, please contact Tara Carline or visit Mashpee Police Department's website at <http://www.mashpeema.gov/police> to download the registration form.

Please be aware when contacting the Senior Center staff that some positions are part-time grant funded, and those individuals are not in the office at all times. Please feel free to leave a message, and they will get back to you as quickly as possible when they return to the office.

MASHPEE SENIOR CENTER MILESTONES: The Mashpee Senior Center newsletter was first published 30 years ago in 1986!

The Mashpee Senior Center respects all aspects of people including race, ethnicity, gender expression, sexual orientation, socio-economic background, age, religion, body shape, size and ability.

Apologies go to Dick Nelson. Last month's newsletter incorrectly said that his father had come to the U.S. from Norway when in fact he arrived from Sweden.
