

GIS Service Fees Schedule

The attached fee schedule is for GIS services. The services listed are an exhaustive list of the services available.

Prints of existing maps: These maps are created as part of the general GIS maintenance for the town and printed out usually 5 at a time. Cost is based on paper, ink, and overall wear and tear on the printer.

Mashpee Street Map (24" X 36").....	\$8
Mashpee Street Map Book (8.5" X 11" x 89 pgs.).....	\$15
Mashpee Zoning Map (24" X 36").....	\$8

The Mashpee Street Map and Map book are updated annually. The Zoning Map is only updated if the zoning boundaries are changed. These are the same maps that are available for download from the Mashpee GIS website for free at <http://www.mashpeema.gov/gis-e911>.

*** Custom Maps:** All custom maps printed on 24" X 36" sheets or larger cost \$8 per sheet. These custom maps are produced by the GIS Coordinator as the lowest paid employee capable of producing them. These maps would be produced at an hourly cost of \$30 per hour.

Copies of large maps (scanning and printing): All copies printed to 24" X 36" sheets or larger cost \$8 per sheet.

*** Database analysis, report generation:** All mapping to be done as part of this work will be billed under the Custom Maps category. All GIS based database analysis and report generation will be produced by the GIS Coordinator as the lowest paid employee capable of producing them at a rate of \$30 per hour.

GIS Data on CD: CD's will be used on all GIS Data requests with the exception of aerial imagery as the size requirements of the aerial imagery is greater than can be put on a CD. The cost of CDs is \$1 per CD. Each CD will be created by the GIS Coordinator as the lowest paid employee capable of producing them.

GIS Data on DVD: DVDs will be used when GIS Data requests include aerial imagery. The cost of each DVD is \$5 per DVD. Each DVD will be created by the GIS Coordinator as the lowest paid employee capable of producing them at a rate of \$25 per hour.

GIS Data on USB drives: GIS data may be placed on consumer provided USB drives.

All paper maps and /or reports printed on 11" X 17" or 8.5" X 11" sheets will cost \$0.25 per sheet.

Note:

* On a first come first served basis and will not take precedence over the needs of other town departments.
