

Addendum to Building Permit Application

For Construction in a Flood Zone

To Applicant: The Town of Mashpee has designated certain areas in the Town as a Flood Plain Zone and any new construction or renovation in any of these areas must conform to the Town of Mashpee Zoning By Laws and to the Massachusetts State Building Code. To assist the Building Department in making a determination in these matters, the Town requires the owner and contractor to complete the following addendum to the Building Permit Application.

A. The Assessors Plot and Lot Number where construction will take place

Plot: _____ Lots: _____

B. The Town of Mashpee market value as follows:

a) Land: \$ _____

b) Building: \$ _____

c) Other Structures: \$ _____

Please attached copy of last tax bill

C. Total construction price including sub-contractors. \$ _____

D. This is the _____ Building Permit application for work at this address in the
(1st, 2nd, etc.)
past three (3) years.

E. Owner's Certification: I/We certify that I/We are the owner(s) of the land and structure for which a Building Permit has been requested; and that the contract price stated in (C) above is true and accurate and includes the cost for all labor and materials, including sub-contractors, for the purposed work and there has been no contract splitting, and there is no other construction work proposed at the site, I understand that should the contract price or cost of the construction increase so that the cost of the construction increase so that the cost stated in (C) above exceed 50% of the assessed value of the structure or residence stated in (B) above for which the Building Permit has been applied for, I shall stop all work and report the change(s) to the Building Department and await approval to proceed with the project.
