community
gardens

AFFORDABLE HOUSING

Balanced development
- housing + open
space components

Sidewalks

Bike Paths Need
to be widened
Great Neck North
Needs to be widened

affordable
living with
Parks / Public
Recreation

THE WONDERFUL GREEN
SPACE BY THE LIBRARY
MUST BE EXPANDED
DOUBLE OR TRIPLE THE SIZE
WOULD FEEL RIGHT FOR OUR
GROWING TOWN.

Open spaces
for people
to gather :)

Clean Water

TROUT
POND!
for the town!

Non-Indigenous people
should recognize their land
to the Mashpee Wampanoag Tribe
or to the Native Land Conservancy

Habitat
connectivity

RACE AMITY DAY
2022

No GUN RANGE
or we won't be
able to drink
the water!!
Don't want
city!

No MACHINE Gun Range & OTIS. VIETNAM Era Vet - Vets for Peace
Keep our rural feel!

We All Need to
Love one another

Halt further building until our water quality is under control (rivers, bays, etc.)
Slower speed limits on roads and waters. Keep Mashpee tranquil. No jet skis on ponds.

more leopard geckos?

more snakes

more horse barns!

no girl twins

more dogs

Recognizing that
the Select Board and
Planning Board of the
1990's

more cats

Screwed up
Royally and
are now trying
to fix it.

Venues that actually
hire bands comprised
of P.O.C.

WATER
IS
LIFE!!!

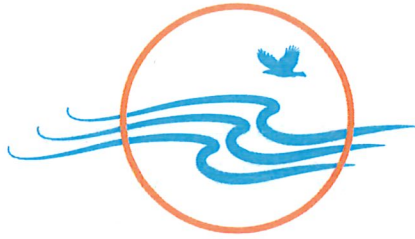

We ♥ Mashpee
waterways - let's
save them from
destruction.

More
composting
resources at
transfer station
(and outreach
so people
know about it)

My favorite place in Mashpee is...

I like the Mashpee
River Woodlands trails.

STRENGTHS

What do you love and want to preserve/protect

The water! Water is life!

Vision in the town for healthy environment for future generations to enjoy.

All waterways are connected - to all species.
Their health is our health.

The natural spaces & clean lakes/ponds.

OPPORTUNITIES

What could be created or enhanced to address emerging goals/needs?

Townwide sewerage x2

People communicating + working together!

Coalition across citizen, gov't, Tribal leaders and members

WEAKNESSES

What do you dislike or think needs improvement

More action, less division

More cooperation
Water health needs to be connected to the entire plan.

CONCERNS

What are emerging issues that we need to monitor/address immediately?

Degradation in water quality ✓
Divisive approach to different communities or waterways. All connected.

YOUR VISION

WRITE A HOPEFUL MESSAGE. "IN 10 YEARS,

MASHPEE _____."

EX. IS A LEADER IN COMMUNITY RESILIENCE.

"CLEAN WATER + HEALTHY PONDS!" ✓

"WINS NATIONAL RECOGNITION FOR WATER PRESERVATION PLAN"

"Mashpee healthiest environment to live in, in all of USA!"

"ROLE MODEL OF A COOPERATIVE COMMUNITY - MASHPEE"

"Mashpee will be a prototype of collaboration among communities. Tribal entities to take a holistic and effective approach to protecting healthy water."

"Will have a fully functioning public sewer system."

WEAKNESSES

What do you dislike or think needs improvement?

Limited arts + cultural opportunities

Evacuation Route

Lack of housing for young families

Lack of sewer

Limited affordable / attainable housing

No rental housing

Beaches inaccessible to those w/
mobility challenges

CONCERNS

OPPORTUNITIES

What about Mashpee could be created or enhanced to address emerging needs/goals

Enhance amenities for seniors

More community events

Would be nice to centralize civic life/
buildings

Build sewer!

Café @ senior center

YOUR VISION

WHAT DOES MASHPEE LOOK LIKE IN 10 YEARS?

- Limit Growth
- Don't widen ISI
- Affordable Housing
- Increased programs / committees for substance abuse

Mashpee ARE LEADERS IN COMMUNITY RESILIENCE.

Increased growth

More renewable energy

Increased conservation / protection of wildlife (hunting restriction)

Reduced congestion

Safe schools

YOUR VISION

WRITE A HOPEFUL MESSAGE. "IN 10 YEARS,
MASHPEE_____."

EX. IS A LEADER IN COMMUNITY RESILIENCE.

MASHPEE Opens Brand new Community Center

Mashpee Indigenous and Non-indigenous communities co-exist in harmony.

/ Will still be a small town.

Keep a small town with big opportunities

↳ & A → make dreams happen

will be an example to surrounding communities how to cooperatively make substantial forward progress and provide ample avenues for its residents to thrive!!!

It will be a beautiful small town that attracts people for its beauty

4TH OF JULY
COMMUNITY PICNIC
2022

STRENGTHS

What do you love and want to preserve/protect?

Mashpee Commons - special place, built w/ thought
Commons ☺ - variety of entertainment
Our beautiful natural environment, e.g. Mashpee
River Woodlands

Protect Trout Pond

Zoning professional

Boys + Girls Club → mentor program

Splash Pad Park

Mashpee Commons

Small town feel

The small town community lifestyle with clean open space.

OPPORTUNITIES

What about Mashpee could be created or enhanced to address emerging needs/goals?

Affordable and work force housing

↳ "Billionaire Pledge" but for work force housing

Better public transportation for remote areas.

Affordable housing

WEAKNESSES

What do you dislike or think needs improvement?

Not enough housing opportunities for families

1 AGREE W/ ABOVE ↑ STATEMENT BEEN
LOOKING FOR HOME FOR 8 MONTHS NOW - RHA

We don't need more mansions for seasonal
rich folks!

Traffic congestion. We need an integrated control system.

Roads Traffic-taxes

Route 28 ~~for~~ beautifying - landscaping.

CONCERNS

What are things we need to monitor and/or address?

Too many houses

Road construction

Outlawing Jet ski use in

Over building, affecting our water quality (ponds, bays, etc)

WORKFORCE HOUSING!

↳ ADU ↳ 2 units by right ↳ short term rental cap

Local businesses, not chains

Ecological impacts of how we live and conduct business.

Large business that take away the small town feel
