Policy No: 29

Guidelines for Docks Crossing Town Property

It is the Policy of the Board of Selectmen that any permission granted for docks crossing Town property shall be in accordance with the following guidelines:

- Permission for docks to cross Town property shall be extended only to those property owners with docks in place as of July 1, 1995 and no such permission shall be granted to new docks not in existence as of July 1, 1995.
- Permission shall be limited to the dock in place as of July 1, 1995 and no extension, alteration, or reconstruction shall be permitted. This does not apply to routine maintenance.
- Permission granted shall be in the form of a license agreement, in the form and with the conditions of the license agreement attached to and hereby made a part of this policy.
- Permission shall be initially granted to those property owners of which the Town is aware, and may be extended in the future to any property owner whose dock was in existence in its current form as of July 1, 1995.
