Board of Selectmen**

**Policy No: 35**

**Inclusion of Articles on Town Meeting Warrants**

Consistent with the provisions of §2-1.D. of the Mashpee Code, the Board of Selectmen votes on Articles to be included in all Annual and Special Town Meeting Warrants. It is the policy of the Board to extend the courtesy of including Articles, submitted by other elected boards or officers, on any Warrant. The Board reserves the right to not include Articles which the Board determines to be contrary to, or in conflict with, its fiscal policies, as adopted after consultation with the Finance Committee and the Town Manager. The Board will make every practical effort to inform all affected departments of its fiscal policies prior to the deadline for execution of any particular Town Meeting Warrant.
