

**Town of Mashpee
Board of Selectmen**

Policy No: 40

Televised Meetings

The Board of Selectmen is desirous of keeping Mashpee residents informed as to events/hearings on meetings that are held at Mashpee Town Hall. From this point forward, all regulatory board/committee meetings must be televised and broadcast on the Mashpee Government Channel. Therefore, all meetings must be held in Conference Room 1 or Conference Rooms 1 & 2 in order for taping.

The Board asks that the Chairman of each regulatory board/committee coordinate camera coverage with the Town Manager's Office. For those regulatory boards/committees that currently meet on the same day/night, please be advised that you will need to have **alternate meetings** taped and broadcast on the Mashpee Government Channel.
