

**Town of Mashpee
Board of Selectmen**

Policy No: 52

Fuel Efficient Fleet Policy

In an effort to promote responsible and efficient energy use by the Town of Mashpee and to achieve consistency with the Green Communities Act, the Town has adopted the following policy:

The Town of Mashpee shall purchase fuel efficient vehicles to the maximum extent feasible and consistent with the ability of such vehicles to perform their intended functions as defined by the Green Communities Act.

***Adopted by the
Mashpee Board of Selectmen
August 17, 2009***
