Boat Change Guidelines:

- If the new boat is the same size or smaller, approval will be granted upon receipt of proper proof of ownership of the new boat in the mooring permit holders name.
- Proof of ownership of the new vessel is required prior to review. If state registered, the registration must be active and in the permit holders name. If federally documented, the permit holder must be listed as the owner.
- If the new boat is larger than the one currently assigned to the mooring, additional review may be required. This review may include an in person site visit.
